Assignment of Benefits For the office of Hollymead Dental Arts

Our practice will accept an assignment of benefits from your insurance company with the conditions listed below. It is important to understand, though, that the agreement regarding your dental benefits is between you, your employer and your insurance company. The obligation you have with our practice is to pay for all treatment and services we provide to you, regardless of the amount that may or may not be reimbursed by your insurance company. The following provisions identify our policies governing insurance claims.

- Although we are willing to complete insurance information forms and submit a claim on your behalf, we do not accept responsibility for the outcome of the transaction. Completing insurance forms is a courtesy we extend to you in an effort to save you time and to facilitate payment to our practice from your insurance company. By having our practice process your insurance forms, it is important that you understand that this does not eliminate your financial obligation for your treatment.
- We require you to sign this agreement and/or any other necessary assignment documents that may be required by your insurance company. This instructs your insurance company to make payment directly to our practice.
- We require you to pay the estimated copayment, which is the amount not covered by your insurance company at the time we provided service to you. The copayment is only an estimate of charges and may be found to be insufficient after review by your insurance company.
- ❖ Insurance payments ordinarily are receiving within 30 days from the time of billing. If your insurance company has not made payment to our practice within 30 days, we will ask you to pay the entire balance at that time. You will be responsible for seeing reimbursement from your insurance company at that time.
- Our practice does not guarantee that your insurance company will pay for treatment that you receive from our practice. We perform routine billing procedures upon verification of coverage. However, if your claim is denied, you will be responsible for paying the full amount at that time.
- ❖ Our practice will not enter into a dispute with your insurance company over any claim, although we will provide necessary documentation your insurance company requests to sort out any confusion or questions that may arise. We will cooperate fully with the regulations and requests of your insurance company. It is ultimately your responsibility to resolve any type of dispute over payments made or not made by your insurance company to our practice.

WE DO NOT FILE WORKMANS COMP.

I HAVE READ AND ACCEPT THE TERMS AND CONDITIONS OF THIS ASSIGNMENT OF

Financial Agreement

For the office of

Hollymead Dental Arts

This agreement is to inform you of your financial obligation to our practice. We are committed to providing you with the most comprehensive dental care, using only the highest quality materials and technology available in the market today. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in maintaining optimum oral health. This financial agreement is intended to facilitate our ability to provide excellent service to you while minimizing our administrative costs.

All charges you incur are your responsibility regardless of your insurance coverage. We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Your insurance policy is an agreement between you, your employer and the insurance company. Our practice is not a part of that agreement. If payment from your insurance company is not received within 30 days from the date of service, you will be expected to pay the balance in full.

As a courtesy to you we will help you process your insurance claims. You may direct your insurance company to pay your benefits directly to our practice by signing the authorization on the assignment of benefits agreement. For our practice to file your insurance claims, you must bring a completed dental insurance form, dental insurance card or proof of insurance to each appointment.

Your estimated copayment for treatment, which is the amount not covered by your insurance, is due at the time treatment is provided. Your estimated copayment may be adjusted after the time of the treatment depending upon the final reconciliation of the insurance payment. Our practice accepts cash, check, care credit and all major credit cards payment.

Returned checks and balances older than 31 days will be subject to collection fees or finance charges at the rate of 1.5% per month (18% annually). An account over 31 days with a balance pending is your responsibility and we request you follow up with your insurance company. Accounts over 60 days past due will be subject to your collection agency for further legal processing.

Additionally, our office may charge you for appointments that you do not keep and for appointments that you do not allow a 24 hour business day notice of cancellation. Please do not hesitate to ask if you have any questions regarding this financial agreement. We are committed to providing you with the ultimate experience in dental care.
